The background of the slide is a dark space theme. It features several stylized planets: a purple planet with a yellow ring at the top center, a red planet with white wavy lines on the left, a green planet with yellow spots on the right, and a purple planet with a white ring at the bottom right. Numerous small white stars are scattered across the black background.

SCT acknowledges that we are on the traditional land of the Coast Salish People, including the first people of Seattle, the Duwamish People past and present. We honor with gratitude this land and the Duwamish Tribe.
