JUMP TO PARTNERSHIP CAMPS

Theatre for every stage of growing up.

AGES 6 - 11

AGES 3.5 - 5

Expanding Imagination

For our youngest learners, these camps help them see the true power of play! We craft our curriculum to help students realize the amazing powers their imaginations hold.

Building the Actor's Toolkit

Building the bridge from imagination to taking the stage, our 6 to 11-yearold students learn about storytelling, critical thinking, and creative problem solving through different theatrical themes.

AGES 11 - 18

Refining and Advancing Skills

In our oldest age groups, our curriculums provide specialized learning to support students who want to deepen their knowledge and sharpen their skillsets.
